

## **Class Diagram Verb-Noun Analysis**

The User may be either a Board Member, Volunteer, or Member, and may have Account Info associated with each. The User may also be a staff member, with a Staff Login. The User is an Abstract Class, which takes the attributes of the child classes (Board Member, Volunteer, etc.). The User may also make either a Donation, Merchandise Order, or Blog Post. The User (Volunteer) may view Job Postings and view the Calendar. The User may view Social Media posts and links, sign up for email updates with the Email Blasting, view Frequently Asked Questions, Maps, and News. The Job Postings, Calendar, Social Media links and posts, Email Blasting, FAQ's, Maps, and News Items are all backed up with Data Backups, that can be saved, loaded, overwritten, or deleted anytime with Staff Login credentials.
